

## Our Mission Statement

To Plant seeds of God's Love in Christ  
Through Witness, Outreach, and The Word.  
W.O.W!

## Our Guiding Principles:

**Jesus is Lord;** therefore, we worship and serve.

**God speaks to us;** therefore we listen and respond.

**God created us to share;** therefore we are generous with God's gifts.

**God chose all for His team;** therefore we all play a part.

**God listens to us;** therefore we pray.

**God's story continues through us;** therefore we are the storytellers.

Our guiding principles direct our vision and steer our mission. It is our covenant that these guiding principles will be used by ministry teams and individuals as we discern how God would have us use our abundance of gifts. It is our prayer that our whole community would commit these principles to our hearts that all might be active disciples for Christ and partners in our shared ministry.
